Additional Information for Mobility Parking – A Mobility Parking Permit also allows the permit holder to park as follows:

1. If the parking zone is more than 30 minutes (eg; 1 hour, 2 hour etc), then you can park for an unlimited amount of time free of charge if the location has a meter or ticket machine.
2. If the parking zone is 30 minutes, then you can only park for up to 2 hours free of charge if the location has a meter or ticket machine.
3. If the parking zone is 5 minutes, then you can only park for up to 20 minutes free of charge if the zone has a meter or ticket machine.
4. If the mobility parking zone has another restriction such as Bus Lane, Clearway, No Stopping or No Parking for a certain period of the day, then the driver must remove the car during the times shown on the signs.

Important Note:

5. The existing on-street mobility parking spaces may not comply with all mobility parking space requirements including width and ramp access. The City will be undertaking a review of all on-street mobility parking spaces to determine compliance with the relevant Australian standards.
