

# SERVICES FOR SCHOOL AGED CHILDREN

## PUBLIC PRIMARY SCHOOLS

Public schools are run by the NSW Department of Education. Most Primary schools have classes from Kindergarten to Year 6 for children aged from 4 years 6 months to 12 years. Public schools give first preference to children within their catchment area, but will take children from outside their area if places are available. To get information on which school's catchment area you live in, you can either call the school nearest to you, call the local Department of Education District Office (see page 2 of this flyer) or go to their website <http://www.schools.nsw.edu.au> Public schools are secular and free, however there may be some fees for uniforms, books and extra curricular activities.

## OUT OF SCHOOL HOURS CARE (OOSH)

Out of School Hours Care (OOSH) services are associated with schools and usually cater to Primary school aged children, offering a range of recreational and developmental activities. OOSH may include Before School Care (BSC), After School Care (ASC) or Vacation Care (VC). Operation times may vary between services, but mostly before school care operates from 7 or 7.30 to 9 am; after school from 3 to 6 pm; and vacation care from 7.30 or 8 am to 5.30 or 6 pm. Most services offer Child Care Benefit, which is a direct fee subsidy provided by the Federal Government to make fees more affordable for families. To apply for Child Care Benefit visit your nearest Centrelink Family Assistance Office or call 13 6150.
