

Inclusion Disability Action Plan Survey

Inclusion Disability Action Plan Survey

CITY OF SYDNEY 

This information is about the City of Sydney
Inclusion Disability Action Plan.

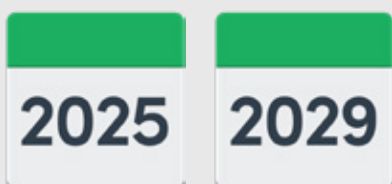

We will say **IDAP** for short.

An IDAP is a plan that says how we will support people with disability to be part of things.

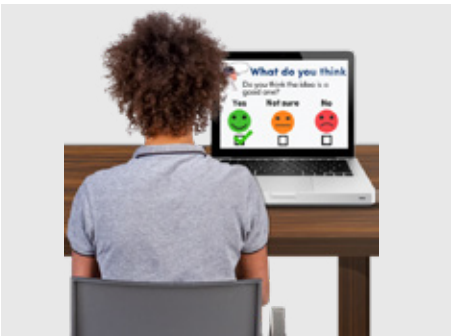

Inclusion means that everyone can take part in programs and services.

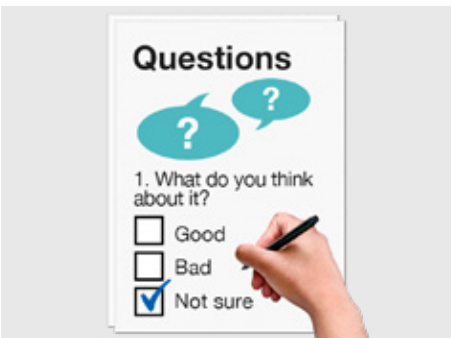

We will make a new IDAP that will go from 2025 to 2029.

People with disability will help us make the plan.

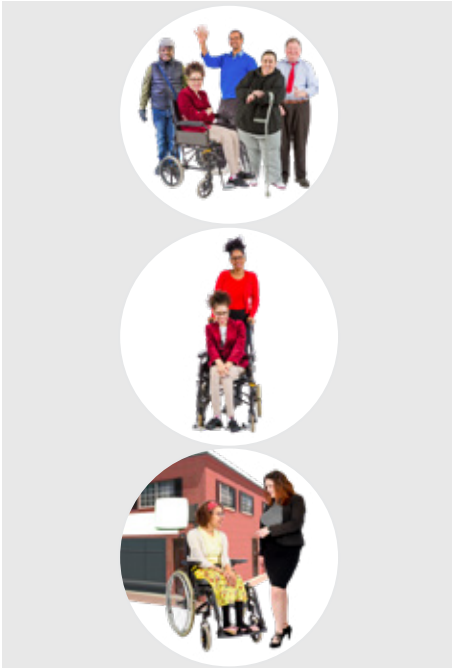

City of Sydney made a **survey** to find out what we should put in the new IDAP.

A **survey** is questions you answer about a topic.

About the survey

This survey is for

- People with disability
- Families and carers
- Disability Service Providers.

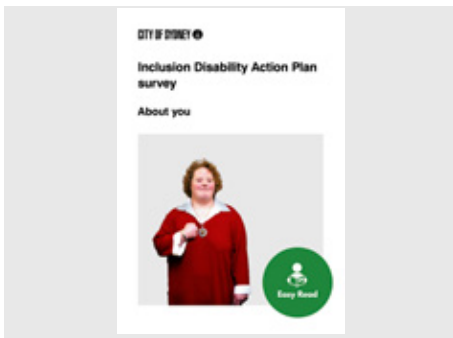

We will use the information we get from the survey to help make our new IDAP.

The information you share in this survey will be kept **private**.

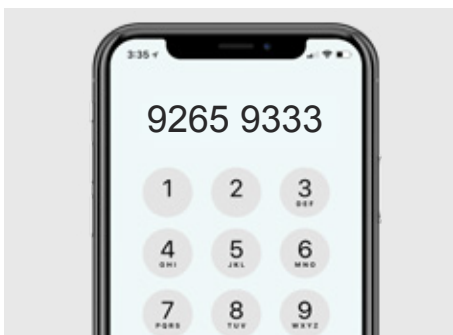

Private means no one else will see it.

We also have a part called About you that you need to fill in with the survey.

You can ask for support to fill in the survey if you need it.

You can call our **Social Policy** team on **9265 9333**.

You can email them at **inclusiondisability@cityofsydney.nsw.gov.au**
